Tuition does not include registration fees, resource/activity fees, sports fees and special school fees. The registration fee must be paid before any student applications will be considered. The Resource/Activity fee of \$300 is due June 15, 2010 and will increase to \$350 After June 30, 2010. The first tuition payment is due July 15, 2010. Registration and Resource/Activity fees are non-refundable.

There is a \$20.00 charge for all returned checks. Returned checks must be repaid with cash and/or money order.

Parents/Guardians must provide a 30 day written advance notification to FCCHS if he/she/they intend to withdraw his/her/their child from FCCHS prior to the end of the school year. If a student withdraws or changes enrollment status after June 15, but before school begins, the parents/guardians will be responsible for paying the full tuition for the first quarter. If a student leaves or changes the enrollment status after classes have begun, parents/guardians are still responsible for paying the full tuition for that quarter.

Accounts will not be allowed to accumulate past sixty (60) days. Students whose parents/guardians have an outstanding financial obligation (tuition, fees or fines) that is more than 60 days delinquent will not be permitted to attend Faith Community Christian High School beginning with the first day of the next semester. In addition, no report card(s), transcript(s) or access to electronic records (e.g. School Portal) will be provided on behalf of that student. This will remain in effect until the account is brought up to date, or until special arrangements are made with the Business Administrator.

Parents/Guardians with outstanding financial obligations (including tuition, fees, or other bills) to Faith Community Christian High School on the last day of school will not receive final report cards, transcripts, access to electronic records (e.g. School Portal), or a diploma (in the case of graduating seniors) until balances are paid in full. On June 15, a five percent (5%) late fee will be assessed on any outstanding balance. A one percent (1%) late fee will be assessed on the 15th of each month thereafter.

The Board of Faith Community Christian High School is committed to helping make Christian education affordable for parents/guardians who lack the financial ability to afford such schooling. The Board has established a limited financial aid budget for this purpose. Recognizing that it is the responsibility of a student's parent/guardian to finance private school education, we ask that applicants examine their budget and lifestyle to determine areas where funds may be available to meet this obligation before applying for financial aid. Financial aid is awarded on the basis of demonstrated financial need. Applications for financial aid are available in the business office. Financial aid is awarded on a nondiscriminatory basis without regard to race, color, creed, or gender.

I understand the above information. I have read the tuition contract and agree to its provisions stated above.
